# BESPOKE SOLUTIONS

Knox House Trust is an independent, privately owned Trust and Corporate Services Provider. Our considerable depth of knowledge, experience and expertise is unrivalled. We are strengthened by our independence as it provides the freedom for us to act in a responsive and agile manner, enabling us to create structures that are truly bespoke to the exact needs of the client. Licensed and regulated by the Isle of Man Financial Services Authority we operate to the highest standards of service excellence and commercial integrity.

We place our clients at the centre of everything we do, and pride ourselves on delivering a professional, reliable and personal service to clients and advisers alike. Our team of experts recognise that no two clients are the same and our services are tailored accordingly.

Placing particular emphasis on nurturing long term relationships, we invest the necessary care and time to understand the clients' needs and personal circumstances by working closely with their other professional advisers. This close attention to detail ensures that the structures we craft will deliver effective strategies to protect and enhance assets both today and into the future.

A man with short, light-colored hair and a beard is shown in profile, looking down at a glass of red wine. He is holding the glass with his right hand and bringing it to his nose to smell the wine. The scene is dimly lit with a strong blue-green color cast. The background is blurred, showing what appears to be a restaurant or bar setting with other people in the distance.

“WE CONTINUALLY STRIVE TO EXCEED  
CLIENT EXPECTATIONS AND DELIVER  
OUTSTANDING PERSONAL SERVICE.”
