

KNOXHOUSE
MARINE & AVIATION

WHY CHOOSE OUR AVIATION SERVICES

INTRODUCTION:

We offer a comprehensive array of aircraft ownership and fiduciary solutions with the aim of maximising the benefits of ownership and reducing the administrative burden.

Depending upon the desired use of the aircraft and the way in which it will be operated and managed usually guides which aspects of our services clients require.

We have proven capabilities in handling every aspect of an aircraft's day-to-day and long term administration and operational issues.

OUR CREDENTIALS:

We proudly manage a large and diverse portfolio of private aircraft. Our often innovative led approach has been recognised by the industry and we pride ourselves on delivering a personal, professional and reliable service.

Our team of in-house specialists have over 20 years' experience within the aviation industry, draw upon their extensive knowledge of legislation, practice, emerging issues and technical understanding to craft bespoke structures which are designed to both protect and enhance assets.

THE KHMA DIFFERENCE:

Clients and their needs are at the heart of everything we do. We operate to the highest standards of service and commercial integrity at all times.

We place particular emphasis on nurturing long term relationships, and work closely with clients and a wide range of professional advisers and intermediaries.

Our collaborative approach ensures the accurate implementation of the client's chosen strategies and structures.

WHAT OTHERS THINK ABOUT US?

"We recently engaged with KHT during an aircraft acquisition for one of our clients. Throughout the transaction the team at KHT responded promptly and efficiently to a number of requests from both ConnectJets and our Legal team. They delivered an outstanding service and our team were kept fully apprised at all stages throughout the sales process, creating a seamless transition for all involved. The team here at ConnectJets look forward to working with the KHT team again in the future."
